Resolution, Inc. has added Environmental and Safety Training to its list of services.

LEAD BASED PAINT TRAINING- Effective September 2008, Resolution, Inc. became an approved Lead Based Paint training provider; approved under the EPA Model Accreditation Program (MAP).

Resolution is approved in the lead based paint disciplines of initial and refresher courses for Supervisor, Inspector, Risk Assessor, Project Designer and Worker.

ASBESTOS TRAINING- Effective November 26, 2007, Resolution, Inc. became an approved asbestos training provider; approved under the EPA Model Accreditation Program (MAP).

Resolution is approved in the asbestos disciplines of initial and refresher courses for Inspector, Management Planner, Project Designer, Supervisor and Project Monitor.

Resolution will continue to offer training for: OSHA, HAZWOPER, HAZMAT, AHERA Asbestos Awareness, Operations and Maintenance, Lead Safe Work Practices, Hazard Communication (Employee and Employer), Confined Space Entry, and Respiratory Protection. Visit our website www.resolutionusa.com for complete list of training.

We look forward to the opportunity of providing you training services. In order to serve those who prefer to receive information by e-mail; we have an e-mail address specifically for training. To ensure that we have your address, please send an e-mail and let us know that you want to be added to our address book for future training information. We look forward to hearing from you with any questions or scheduling of training courses.
